### *Managers Corner*

WHEN WILL SUMMER COME?! So far we have had weather closer to what is typical for March than late spring –early summer. But we know from the many years of Northwest living that our summer weather will eventually get here – by mid July?

June is a time we honor Fathers. And there is no better way to honor our Fathers – than with a summer Barbeque! Father’s Day Barbeque will be Sunday June 19<sup>th</sup> at 12:00 noon. This is our chance to celebrate the “dads in our midst’s” in way that they would enjoy! Weather permitting – we will serve the Barbeque from a buffet line in the Bistro Bar and patio area just out back. If it rains – we will Barbeque – but serve you "restaurant style" in the dining room. So let’s plan to have a great time this Father’s Day – Rain or Shine!

## Residents Corner

Doris and Lloyd Bailey

Doris, also known as Miss. Cincinnati, was born in Boone County Kentucky but attended high school in Cincinnati. In college, she majored in sociology and eventually ended up teaching at Northern Kentucky University and speech at Thomas More College.

Lloyd was born in Celina, Ohio, where he went to high school. He then attended Miami University (which, confusingly, is in Oxford, Ohio; it was founded way back in 1838). He majored in mathematics education and coaching (he eventually received many scholarships for his studies and attended the University of Hawaii for a Master's in Math.). He started working in Cincinnati where, on a blind date, he met Doris. It was love at first sight; "she was a beauty", Lloyd says.

They were married in St. Mary's, Ohio, in 1948. They have had 68 long, happy, years together and have one son named Brian. They have enjoyed travelling all over the world. They still love playing bridge together and very much enjoyed watching sports, especially football, which Lloyd coached – he was even named "Football Coach of the Year"! They have simply enjoyed each other's company and have always gone to bed liking each other. They never hold a grudge and just love being in each other's lives! What a fun couple.

## Marketing World

As I look out my window at the ever present rain I need to be reminded that June has arrived! I think we are all a little tired of the rain but compared to the devastation other states have recently experienced, I believe we should count our blessings!

June will bring us 3 new move-ins - welcomed additions to our growing family. Our Father's Day BBQ will be on Sunday, the 19<sup>th</sup>. So come join the good food, good company and promised sunshine!

A wonderful recent addition to our community is Dr. Mark Kim. Many of our residents have transferred their care to Dr. Kim and are very happy with his professional and warm style. We continue to promote and welcome Dr. Kim.
